In addition, the campsite and the conditions of the nature of the camp may have an additional set of instructions / conditions which must also be observed. Worship Service Dress

We understand that convictions about dress code during worship services vary. Each camper will be given time each day before dinner to clean up and decide what he or she will wear to worship service that evening. Some male students may prefer collared shirts and pants while others prefer modest shorts and t-shirt. Some female students may prefer dresses while others may want to wear modest shorts, capris, and t-shirt. Time will also be given after worship for students wishing to change clothes to do so before playing in the lodge.

On the last night of worship during commencement, we ask that all campers and counselors wear the Youth Camp t-shirt provided.
